

WRC memberships run from September 1st to August 31st. Memberships must be paid in full at the time of sale in order to be activated.

Memberships cannot be purchased in bulk. They must be purchased by the individual.

Members can book courts seven days in advance by calling the Front Desk or online through the member portal or mobile app. Members also receive discounted rates on court fees and lessons.

You must have all players on your court reservation. Prior to making a court reservation, make sure everyone in your party has a profile before going to reserve a court so their name will automatically pop up in the system. Players will be billed individually based on membership status. **Members and Guests must have a card on file.**

Pickleball Members Only: Guest fees will be charged per court to the member's account when the member pays the entire fee and has non-members on the court. A \$5 guest fee will be added to 60 minute reservations. \$7 guest fee will be added to 90 minute reservations and \$10 guest fee will be added to 2 hour reservations.

If all players check-in at the Front Desk and split the fee, the guest fee will not be added.

Members must be enrolled in EFT (Electronic Funds Transfer) for monthly billing.

Electronic Funds Transfer (EFT)

Members will receive a monthly statement by email on the 1st of the month. WRC will run the credit card on file for the balance on the 8th of the month for the previous month's balance. Members wishing to pay by cash, check or a different card will need to do so before the 8th of the month.

I recognize that if I pay my balance prior to the EFT date, my card will NOT be charged. I also recognize that I may view my account on-line at any time using my WRC personal profile and reserve the right to challenge any charge prior to the EFT.

Three missed EFT runs in a row will result in a \$30 penalty.
